

# Certificate II in Extractive Industries

*Are you a Trainee Shot Firer or Trainee Driller and interested in developing your career?*

Below are the two career paths with suggestions for the units of competency you could complete. It may be appropriate to discuss this with your Manager.

## Trainee Shot Firer

1. Work Safely Training
2. Conduct Local Risk Control
3. Communicate in the Workplace
4. Apply Basic First Aid
5. Conduct Blast Survey
6. Handle & Transport Explosives

*A further 2 units need to be selected as relevant to the employee's specific function group (ie. Loader operator)*

## Trainee Driller

1. Work Safely Training
2. Conduct Local Risk Control
3. Communicate in the Workplace
4. Apply Basic First Aid
5. Conduct Blast Survey
6. Conduct Blast Hole Drilling Operations

*A further 2 units need to be selected as relevant to the employee's specific function group (ie. Loader operator)*
